

Name: _____

Instructions: Professors Bognes and Sylvain have identified several critical turning points in Haiti's history. As you listen, be sure to note how these turning points affected Haiti. In the chart below, list developments in Haiti and its relations with other countries after each turning point.

Years	Turning point in Haiti's history	What happened in Haiti during this time period?	What were Haiti's relations with other countries?
1620-1803	1620s: French settlers arrive in Haiti		
1804-1914	1804: Haiti becomes independent		
1915-1944	1915: Beginning of U.S. occupation of Haiti		
1945-today	1945: Beginning of Cold War
