

Graphic Organizer: Protest Photos

Instructions: As you view the photos of the Hong Kong protests, use the boxes below to record your observations. Record the photo number with each note. Keep in mind that a photograph cannot give you a complete picture of the protests, and you should be careful about drawing conclusions from the photographs.

Slogans and Messages

Describe three slogans, messages, or phrases that are included in the photos. Where and/or on what are they written?

Photo # ___ :

Photo # ___ :

Photo # ___ :

Symbols

Draw or describe two symbols you see in the photographs. These may include the symbols you reviewed as a class or others. Record the photo number(s) that include the symbol.

Symbol 1

What is the symbol?

What idea does this symbol represent?

Photo #s that include this symbol:

Symbol 2

What is the symbol?

What idea does this symbol represent?

Photo #s that include this symbol:

Other Observations

Use this space to record at least two things that you find interesting or surprising in the photos.
