

# Options: Graphic Organizer

	What is the primary goal of this option?	What policies should the United States adopt?	What role does trust play in negotiations with Iran?	Are negotiations and monitoring effective?	Should Iran be allowed to produce its own fuel for nuclear power?
Option 1: Use Military Action to Destroy Iran's Nuclear Facilities					
Option 2: Make a Deal with Iran					
Option 3: Reduce Tensions and Rely on Deterrence
