

## Student Activist Stories

*Instructions:* Watch the videos of civil rights activists. Use the chart to record the name and title of each speaker and to take notes that will help you answer the questions that follow. Be prepared to share your responses with the class.

Speaker and Role in the Movement	Notes on their Participation in the Movement

*Questions:*

1. How did each activist get involved in the movement?
2. What experiences do they describe?
3. What is the most memorable piece of information they share?
