## One Refugee’s Journey (Second Read)

*Instructions:* On the second read of your comic, you will understand the narrator’s experience by recording important parts of this person’s journey. This will eventually help you compare the story you read with other refugees’ stories. As you re-read the comic, fill out the graphic organizer below. Because each story is different, you may find that you do not have enough information to answer all of the questions in the second table. If this is the case, write “no information provided” in the space below the question.
