

## The Haitian Revolution: Assessment Using Documents

---

*Instructions:* These questions relate to the Haitian Revolution, which took place from 1791-1804. Answer all of the questions that follow on a separate piece of paper.

1. a. In Document 1, what does Charles Pinckney mean when he describes a “flame” that may extend to other islands? What concerns does he express about the United States?

b. According to Document 8, whom is the Haytien Emigration Society encouraging to move to Haiti, and why?

2. How do Document 10 and Document 6 support the conclusions made in Document 7?

3. Assess the value and limitations of Document 11 and Document 2 for historians studying the effects of the Haitian Revolution. Be sure to refer to the origin and purpose of each document.

4. Using these sources and your knowledge, explain how the Haitian Revolution influenced people and government in the United States.
