

Name: _____

Sharing Findings

Instructions: Share a brief (1-2 minute) summary of your article with your classmates. Introduce the author and title of the article, explain one or two historical events or patterns that the author describes, and summarize their key points. After all the sources are presented, discuss similarities and differences your group notices across the six sources. Record key ideas that come out of the conversation below.

	Author and Title	Historical Events or Patterns	Key Points
Source 1
